HDZ**

THE HDZ DUMPSTER

The HDZ may be crowned the king of roll offs. It is a heavy-duty, top rated dumpster bed that features maximum functionality and a great look. The HDZ is armored with 10 gauge plate steel and extended, reinforced side rail supports. The back gate features a heavy-duty single action door, lock and sync mechanism with a smooth swing action.

Available in various lengths including 14', 16', and 20', and with side height variations of 4' and 6', the HDZ can be customized to specifically grow your hauling opportunities. This unit's dump bed stands at a whopping 60" wide, giving you the maximum volume and the maximum value. It also comes standard with a crank style roll up tarp to protect and secure your load.

This chunky unit is made of 1 1/2" x 3" square tubing with 3" C-Channel crossmembers. Its 10 gauge steel plate floor is sure to hold up to your most rigid hauling tasks. A 3" x 4" x 11ga. rectangular tubing top rail, surrounding the bed, brings all of the structural pieces together into a tough and rigid piece of engineering. Horizon spares no expense to elevate the standard of quality, design, and service with its products.

Available in durable powder coating in one of our 10 striking colors.

ABOUT US

Since its inception, the team at Horizon Trailers has kept sight on our core values of Excellence, Respect, and Passion. We have seen exponential growth in the efficiency of our designs, in the quality of our product assurance, and in the smiles of satisfaction on our customers' faces. We continue to focus on providing the most value to our customers by building our products lighter, stronger, and with industry leading appeal. Our implementation of the latest technologies and automation processes empowers us to produce more efficiently, more accurately, and with far less waste. These technologies provide us with interdepartmental visibility of customer orders, parts and configurations, and manufacturing

details, allowing our Warranty and Service teams to expedite customer requests and solve them quickly.

When it's time to go to work, you can trust that your Horizon trailer will be there for you, getting the job done right. When the work is done, you may want to just take your trailer for a nice country drive, crank up the radio, show 'er off to your friends. When you look in those truck mirrors, we want you to see a trailer that you know will follow you anywhere, and never let you down. We're proud to serve our customers, and we're excited to see what's on the horizon! Remember, Every Detail Matters.
